Washington, D.C. – U.S. Congressman Tom Rooney (R-Fla.) issued the following statement in observation of the National Day of Prayer on May 6, 2010.

"Today, people across the country come together to pray and take stock of the blessings God has given all Americans," Rooney said. "National Day of Prayer is an opportunity to remember and pray for our families, friends and those less fortunate than ourselves. As always, our thoughts and prayers are with the men and women of the Armed Services who put their lives on the line every day to protect this great country."
