Washington, D.C. – U.S. Rep. Tom Rooney (FL-16) today announced that he will attend the groundbreaking for the Indian River Lagoon-South C-44 Reservoir and Stormwater Treatment Area on October 28 at 2:00 PM.

The project includes the first of four planned above ground reservoirs and the first of three new stormwater treatment areas to reduce sediment, phosphorus and nitrogen flowing into the St. Lucie River estuary and the Indian River Lagoon. The lagoon region is home to more than 4,300 plant and animal species and is a significant economic generator for the area.
